

Mission Statement

Vocational Training Centre IDM

«We do what we do because we like to do it.»

Sending / Receiving schools

We maintain active contact with the sending/receiving schools by controlling periodically our offers, needs and expectations. Together we ensure smooth transfers.

Teachers

In addition to pedagogical-didactical quality features, good teaching also requires the permanent work on the relationship with our students. We are aware of professional and social changes and intergrate them into our teaching.

Employees

At our school, trust is the foundation of our cooperation. Respect characterizes our encounters. Health protection and the sustainable use of resources are always an integral part of our decision.

Training Partners¹

Exchange and mutual support are important to us. We communicate openly and transparently with our training partners. Developments and innovations in the professional work are an essential part of our cooperation.

¹Traingng companies, inter-company courses, organisations in the world of work, examination experts, authorities, etc.
